

Hi, I am Aimee. I am 15 and am home-schooled. Some of us Homeschoolers got together and planned an overnight to Cross-point. There were 5 boys and 6 girls and the age range was 10 -15. On arrival we found all the staff fun and ready to go! That evening we had some icebreaker games and generally had a laugh. Everything was pleasant and informal.

We had arrived on the Thursday and on Friday the fun began. After breakfast and devotions we went down to Murlough House Bible College and did obstacle courses and Archery (unfortunately the boys beat the girls time wise in the obstacle course!!!)

Later on, in the afternoon, we donned wetsuits, buoyancy aids, and helmets and went down to Murlough Bay for some raft building!!! To sum that up in a word would definitely be FUN!!!!

Being nicely spilt up into boys-on-one-team-girls-on-the-other, we were given materials such as planks and buoys to make a

In the evenings we were shown a video on which Dr. Kent

raft and which ever team built and sailed their raft around a floating buoy with all members on the raft, and no legs on the ground won! (Yes the girls won this one!!!!)

Saturday, we all agreed, was the most exciting because we were going bouldering!!! It was just the best. We were back in our wetsuits and buoyancy aids and the helmets, and we started from Bloody Bridge and continued up the river.

Morvine was speaking about the age of the earth. After watching this we were allowed to play games or watch another of their videos from the small video library until lights out.

When we got to the rock pools we leapt in of some rocks. It was great and swimming in the cool water on a hot day was delicious!!

We all had such a great time at Crosspoint and hope to go again next year. Thank you to all the staff who helped make our time so enjoyable. Thank you Lord for providing gorgeous weather and blessing us all with protection.

Aimee-Louise Leslie (Banbridge)
